                                        1 December 66

MEMORANDUM FOR THE RECORD

25X1D   SUBJECT :   Type V [   ]

25X1A   REFERENCE : [   ] 3818 (IN 97719)

        1. Reference message pertains to successful shakedown
flight; plan to fly final Type V mission o/a 12 December 66;
giving revised completion date for tests as 16 December 66,
and finally conjecture that Project Headquarters will determine
if additional testing will be feasible.

        2. Undersigned conveyed information to [   ]   25X1A
ORD, morning of 1 December 1966 and he is in agreement with
contents of ref message. He indicated ORD wishes to retain
control of tests until final mission is run and OSA decides
to accept Type V for validation flights.

25X1A   3. Undersigned requested [   ] brief appropriate
members of OSA Staff on all aspects of Type V so all responsible
OSA personnel have adequate background on history, problems,
capabilities, limitations, etc , of equipment in question so
a decision can be made if or when Type V should enter the
operational inventory of the OXCART program.

25X1A   4. [   ] agreed with above request and stated he
was in process of compiling data briefing boards, imagery,
etc. He stated he would be ready to give the briefing during
the week of 19 December 1966.

        5. All personnel who desire to be present at this briefing
should contact the undersigned so when a definite date is
established they can be notified as to time and place of
briefing here at Project Headquarters.

                        SIGNED
